Dear Sir/Madam

RE: Kings City Construction and Conveyancing update

Radar Properties (Private) Limited is excited to inform you that the company secured all approvals from Umguza Rural District Council relating to Kings City enabling you our valued customers, to start construction.

Could you therefore submit your house plans for approval at our offices. We will facilitate plan approval at the Council on your behalf. Once the plans have been approved, you will be legally authorised to start building your houses.

Our conveyancing team is currently working on transferring individual Title Deeds from the parent deed.

We will advise on plan approval and transfer fees at the earliest date possible.

Yours Sincerely

W. Zimunya

Executive Director
