

PROPERTY INVESTMENT MADE EASY IN KINGS CITY

A complete solution for stable, guaranteed retirement income

At a glance

- Secure income for retirement needs.
- Ownership in Kings City commercial, industrial, and institutional properties.
- Benefit from stable and consistent property returns in retirement.

Discover a range of investment options in Kings City:

1. Independent Property Purchase, full control acquiring properties directly.
2. Commercial Real Estate Syndication, join forces for large-scale ventures with shared risk.
3. REITs: Gain exposure to real estate markets through professionally managed portfolios. Explore more choices tailored to your goals and timeline. Flexibility is yours in Kings City's dynamic investment landscape.

The Opportunity

We have designed a simple way to invest in the most trusted asset class to ensure your future earnings. As a growing community of up to ten thousand homes, Kings City has a demand for quality institutions and commercial centres to service the development. These institutions include 15 private schools, 14 commercial centres, light industrial property and health care facilities.

The Offer

- Exceptional real estate annuity plans for Kings City investors.
- Full or partial ownership in institutional, industrial, and commercial properties.
- Portfolio designed for consistent, long-term income upon maturity.
- Empowers active involvement in property ownership within Kings City.
- Properties are carefully selected, constructed, and managed.
- Monthly payments cover land acquisition, construction, and property operation.
- Aims to yield substantial returns on investment.

Benefits

1

Enjoy the benefits of real estate ownership without the hassle of managing tenants, maintenance, and property operations.

2

Look forward to a reliable and consistent income stream generated by the institutional, industrial, and commercial properties within the portfolio.

3

Investors receive regular updates and reports on property performance, financials, and other relevant information, ensuring transparency in the investment process.

4

By investing in a diversified portfolio of institutional, industrial, and commercial properties, investors can spread their risk.
